To place your order, log-in and follow the instructions. A credit card on file is required to complete your order. An email will be sent confirming your order is complete. The charges on your confirmation will not be considered final until the show closes *(drayage fees are added once freight is received and floor orders may be added)*.

PAYMENT TERMS

To process your order for services and materials listed in this Exhibitor Service Kit, we must have your completed and signed Credit Card Authorization form or full payment in advance or you must place your order on-line. Invoices for outstanding balances will be emailed to the email address on file and must be paid before the end of the event. If you have any concerns about your charges, please stop by the Exhibitor Service Center at the show. **Charges may not be disputed after the show.**

Items ordered and delivered but subsequently canceled will be charged 50% of the order price to cover labor involved.

Please notify your company representative who will be at the show site of our payment policy. Your cooperation is appreciated. No credits will be issued after close of show.

LABOR JURISDICTIONS

Denver Area, Colorado

CONVENTION SERVICES OF THE SOUTHWEST, INC.

UNION JURISDICTIONS FOR THE DENVER AREA, COLORADO

THE FOLLOWING GUIDELINES APPLY IN THE DENVER AREA, COLORADO:

We are certain you will appreciate knowing in advance that union labor may be required for certain aspects of your exhibit handling. To help you understand the jurisdiction that the various unions have, we ask that you read the following:

CONVENTION, DISPLAY, TRADE SHOW LABOR CONDITIONS

All decorating, display, drayage, theatrical, rigging, production, audio visual, commercial presentations as well as all material handling for conventions, trade shows, promotional displays, and consumer shows are performed by the Denver Theatrical Stage Employees Union, IATSE, Local No 7.

EXHIBIT INSTALLATION AND DISMANTLING

Full time employees of an exhibiting firm may install and dismantle their own respective company display, if such work can be completed in less than 60 minutes and without the use of mechanized tools.

Any outside or additional labor required for installation, dismantle or decorating of displays is to be performed by the official General Service Contractor or by any other contractor signatory to the IATSE, Local 7 labor agreement.

MATERIAL HANDLING

Exhibitors may handle their own hand carried materials in and out of the Colorado Convention Center. Any material requiring the use of equipment for delivery, i.e., dollies or forklifts, will be handled by labor through IATSE Local No 7. Equipment and labor is arranged through the General Service Contractor.

DOCK SPACE

Dock space is limited at the Colorado Convention Center and it is under the control and authority of the General Services Contractor.

This furniture is not engineered to support your standing weight. **CSS** cannot be responsible for injuries or falls caused by the improper use of this furniture. If assistance is required in assembling your booth, please order labor on the Display Labor order form and the necessary ladders and tools will be provided.

GRATUITIES

Our work rules prohibit the SOLICITATION OR ACCEPTANCE of tips in cash, product or gifts of any kind by any employee (union or non-union). Our employees are paid appropriate wages denoting professional status, therefore tipping of any kind is not allowed.

IN GENERAL

- Trades people have been instructed to refrain from expressing any grievance or directly challenging the practice of any Exhibitor. All questions originated by labor are to be expressed to the supplier of that labor and/or **CSS** Management. Direct any questions in regards to union claimed jurisdictions or practices to **CSS** Management.
- If you encounter any difficulty with any laborer, or if you are not satisfied with the work performed, please bring this to the attention of **CSS**. Please refrain from voicing complaints directly to craft personnel.
- The person in charge of your exhibit should carefully inspect and sign all work order forms. If there are any questions about any bills, bring the bill to the appropriate Service Desk and discuss it with the person in charge.

MATERIAL HANDLING (DRAYAGE) INFORMATION

- ❖ As an exhibitor, you are responsible for providing your carrier with proper delivery and pickup information for your materials, both in advance and at show site.
- ❖ Please prepay all shipping charges. **CSS** cannot accept or be responsible for collect shipments. Keep in mind, **material handling** (drayage) charges and shipping charges are not the same thing.
 - “Drayage” is the movement of freight from decorator warehouse or show-site dock to exhibit booth and back out to the “freight carrier” at the show-site dock.
 - “Shipping” is movement of freight from city to city on a designated carrier.
- ❖ All shipments must be accompanied by a bill of lading. Shipments received without receipts, freight bills, or specified unit counts (UPS, Federal Express, personal vehicles, etc.) will be delivered to the exhibitor’s booth without guarantee of piece count or condition. No liability will be assumed by **CSS** for such shipments. Shipments without certified weight documents will be estimated by **CSS**. *(*This estimate will be binding on both parties and no adjustments will be made after the show closes.)*
- ❖ **We will accept all cartons, crates, and skidded materials at the warehouse. Do not ship uncrated materials to the warehouse. Loose materials, uncrated materials, or machinery not banded to skids will be accepted at show site only.**
- ❖ **All van line shipments must be accompanied by a “certified weight ticket”, with heavy & light weights otherwise CSS will estimate freight weight, which will be binding on both parties and no adjustments will be made after the show closes.**
- ❖ All shipments for the show received either in advance or at show site will be assessed material handling charges by **CSS**. *(Please refer to the **Material Handling Rate Sheet**.)* All material handling rates are roundtrip and are based on incoming weights only. Overtime charges may apply under some circumstances, such as carrier-delayed freight delivered after designated move-in times.
- ❖ “Off-Target” freight is when freight arrives at the advance warehouse prior to the first scheduled day or after the last scheduled day indicated on both the show information sheet and the Material Handling Rate Sheet. If freight is delivered prior to the first scheduled day of advance freight receipt, storage charges may apply. If freight is delivered after the last scheduled day of advance freight receipt, additional delivery charges may apply.

MATERIAL HANDLING INCLUDES:

- Storing your booth, equipment, and materials in our warehouse for up to 30 days in advance of the show. *(Advance shipments only)*
- Delivering materials to your booth at show site.
- Removing empty containers from your booth, storing them for the duration of the show, then returning them to your booth at close of show.
- Moving packed and labeled materials from your booth to the dock area at close of show and reloading them on designated carriers based on information provided on your show site bill of lading (obtained from **CSS** Service Center).

MATERIAL HANDLING DOES NOT INCLUDE:

- Labor and/or equipment for uncrating, unskidding, assembling, positioning, leveling, dismantling, re-crating, and reskidding machinery and/or equipment for exhibitors. Additional labor to accomplish these tasks may be ordered from the **Labor Order Form** enclosed in the Exhibitor Service Kit.
- Scheduling any carrier for pick-up or delivery of your materials, if other than the official show carrier(s). All carriers must be checked in by the designated re-routing time or exhibitor freight will be either re-routed with show carrier or returned to **CSS** warehouse at exhibitor expense. Please refer to **Material Handling Rate Sheet** for re-route times.

MATERIAL HANDLING INFORMATION & LIMITS OF LIABILITY

CONVENTION SERVICES OF THE SOUTHWEST, INC.

LIMITS OF LIABILITY

PLEASE READ:

CSS' liability is limited to physical loss or damage to a specific article which is lost or damaged, and in any event **CSS'** maximum liability will be limited to \$.30 per pound, per article with a maximum liability of \$50.00 per item or \$1,000.00 per shipment, whichever is less.

CSS will not be liable to any extent whatsoever for any actual, potential, or assumed loss of profits or revenues, or for any collateral costs, which may result from any loss or damage to an exhibitor's materials which may make it impossible or impractical to exhibit said materials.

Claims for loss or damage that are not submitted to **CSS** within 30 days of the close of the show shall be considered waived.

The consignment or delivery of a shipment to **CSS** by an exhibitor, or by any shipper on behalf of the exhibitor, will be construed as an acceptance by such exhibitors (and/or shippers) of the terms and conditions set forth in this document.

To expedite removal of materials from the show site, **CSS** shall have the authority to change designated carriers, if such carriers do not pick-up on time. Where the exhibitor makes no disposition, materials will be either taken to a warehouse to await exhibitor's shipping instructions (in which case "return to the warehouse" charges will be incurred by exhibitor) or shipped to the exhibitor's address. Labeled shipments left in the facility at the close of the show without a bill of lading will be re-routed with the preferred carrier. No liability will be assumed as a result of such re-routing or handling.

INSURE ALL SHIPMENTS FROM THE TIME THEY LEAVE YOUR COMPANY UNTIL THEY ARE RETURNED FROM THE SHOW. Your present insurance carrier can add a rider to your current policy.

IT IS THE RESPONSIBILITY OF THE EXHIBITOR TO MAKE ALL ARRANGEMENTS FOR PICK-UP AND DELIVERY OF FREIGHT. IF YOU CHOOSE TO USE OUR PREFERRED CARRIER, WE WILL MAKE ALL OUTBOUND ARRANGEMENTS FOR YOU. A COMPLETED BILL OF LADING WILL STILL BE REQUIRED.

CSS will not be responsible for:

- Shipments delivered to the wrong booth due to improper labeling by the exhibitor.
- Misdirected shipments or removal of crates to storage due to old labels appearing on crates.
- Damage to uncrated or improperly packed materials, or concealed damage.
- Loss, theft, or disappearance of Exhibitor's material after it has been delivered to the exhibit booth.
- Loss, theft, or disappearance of Exhibitor's material prior to materials being picked up from exhibit booths for reloading after close of the show. **CSS** will check all bills of lading covering outgoing shipments at time of actual pick up from the exhibit booth. Corrections will be made to the bill of lading where discrepancies occur.
- Loss, damage, or delay due to fire, acts of God, strikes, lockouts, work stoppages of any kind, or any causes beyond **CSS** control.

The exhibitor accepts the responsibility for the payment of charges in connection with the handling of the shipment and guarantees payment to CSS for the incurred services described herewith. SEE PAYMENT POLICY.

UNIFORM BILL OF LADING TERMS AND CONDITIONS

L O G I S T I C S

Sec 1

- (a) The carrier or the party in possession of any of the property described in this bill of lading shall be liable as at common law for any loss thereof or damage thereto, except as hereinafter provided:
- (b) No carrier shall be liable for any loss or damage to a shipment or for any delay caused by an Act of God, the public enemy, the authority of law, or the act or default of shipper. Except in the case of negligence of the carrier or party in possession, the carrier or party in possession shall not be liable for loss, damage or delay which results; when the property is stopped and held in transit upon request of the shipper, owner or party entitled to make such request; or from faulty or impassible highway, or by lack of capacity of a highway bridge or ferry; or from a defect or vice in the property; or from riots or strikes. The burden to prove freedom from negligence is on the carrier or the party in possession.

Sec 2

Unless arranged or agreed upon, in writing, prior to shipment, carrier is not bound to transport a shipment by a particular schedule or in time for a particular market, but is responsible to transport with reasonable dispatch. In case of physical necessity, carrier may forward a shipment via another carrier.

Sec 3

- (a) As a condition precedent to recovery, claims must be filed in writing with: any participating carrier having sufficient information to identify the shipment.
- (b) Claims for loss or damage must be filed within nine months after the delivery of the property (or, in the case of export traffic, within nine months after delivery at the port of export), except that claims for failure to make delivery must be filed within nine months after a reasonable time for delivery has elapsed
- (c) Suits for loss, damage, injury or delay shall be instituted against any carrier no later than two years and one day from the day when written notice is given by the carrier to the claimant that the carrier has disallowed the claim or any part or parts of the claim specified in the notice. Where claims are not filed or suits are not instituted thereon in accordance with the foregoing provisions, no carrier shall be liable, and such claims will not be paid.
- (d) Any carrier or party liable for loss of or damage to any of said property shall have the full benefit of any insurance that may have been effected, upon or on account of said property, so far as this shall not avoid the policies or contracts of insurance, PROVIDED, that the carrier received the benefit of such insurance will reimburse the claimant for the premium paid on the insurance policy or contract.

Sec 4

- (a) If the consignee refuses the shipment tendered for delivery by carrier or if carrier is unable to deliver the shipment, because of fault or mistake of the consignor or consignee, the carrier's liability shall then become that of a warehouseman. Carrier shall promptly attempt to provide notice, by telephonic or electronic communication as provided on the face of the bill of lading, if so indicated, to the shipper or the party, if any, designated to receive notice on the bill of lading. Storage may be, at the carrier's option, in any location that provides reasonable protection against loss or damage. The carrier may place the shipment in public storage at the owner's expense and without liability to the carrier.
- (b) If the carrier does not receive disposition instructions within 48 hours of the time of carrier's attempted first notification, carrier will attempt to issue a second and final confirmed notification. Such notice shall advise that if carrier does not receive disposition instructions within 10 days of that notification, carrier may offer the shipment for sale at a public auction and the carrier has the right to offer the shipment for sale. The amount of sale will be applied to the carrier's invoice for transportation, storage and other lawful charges. The owner will be responsible for the balance of charges not covered by the sale of goods. If there is a balance remaining after all charges and expenses are paid, such balances will be paid to the owner of the property sold hereunder, upon claim and proof of ownership.

- (c) Where carrier has attempted to follow the procedure set forth in Section 4, subsections 4(a) and (b) and the procedure provided in this section is not possible, nothing in this section shall be construed to abridge the right of the carrier at its option to sell the property under such circumstances and in such manner as may be authorized by law. When perishable goods cannot be delivered and disposition is not given within a reasonable time, the carrier may dispose of property to the best advantage.
- (d) Where a carrier is directed by consignee or consignor to unload or deliver property at a particular location where consignor, consignee, or the agent of either, is not regularly located, the risk after unloading or delivery shall not be that of the carrier.

Sec 5

- (a) In all cases not prohibited by law, where a lower value than the actual value of the said property has been stated in writing by the shipper or has been agreed upon in writing as the released value of the property as determined by the classification or tariffs upon which the rate is based, such lower value plus freight charges if paid shall be the maximum recoverable amount for loss or damage, whether or not such loss or damage occurs from negligence.
- (b) No carrier hereunder will carry or be liable in any way for any documents, coin money or for any articles of extraordinary value not specifically rated in the published classification or tariffs unless a special agreement to do so and stipulated value of the articles are endorsed on this bill of lading.

Sec 6

Every party, whether principal or agent, who ships explosives or dangerous goods, without previous full written disclosure to the carrier of their nature, shall be liable for and indemnify the carrier against all loss or damage caused by such goods. Such goods may be warehoused at owner's risk and expense or destroyed without compensation.

Sec 7

- (a) The consignor or consignee shall be liable for the freight and other lawful charges accruing on the shipment, as billed or corrected, except that collect shipments may move without recourse to the consignor when the consignor so stipulates by signature or endorsement in the space provided on the face of the bill of lading. Nevertheless, the consignor shall remain liable for transportation charges where there has been an erroneous determination of the freight charges assessed, based upon incomplete or incorrect information provided by the consignor.
- (b) Notwithstanding the provisions of subsection (a) above, the consignee's liability for payment of additional charges that may be found to be due after delivery shall be as specified by 49 U.S.C 13706, except that the consignee need not provide the specified written notice to the delivering carrier if the consignee is a for-hire carrier.
- (c) Nothing in this bill of lading shall limit the right of the carrier to require the prepayment or guarantee of the charges at the time of shipment or prior to delivery. If the description of articles or other information on this bill of lading is found to be incorrect or incomplete, the freight charges must be paid based upon the articles actually shipped.

Sec 8

- (a) If this bill of lading is issued on the order of the shipper, or his agent, in exchange or in substitution for another bill of lading, the shipper's signature on the prior bill of lading or in connection with the prior bill of lading as to the statement of value or otherwise, or as to the election of common law or bill of lading liability shall be considered a part of this bill of lading as fully as if the same were written on or made in connection with this bill of lading.

Sec 9

- (a) If all or any part of said property is carried by water over any part of said route, such water carriage shall be performed subject to the terms and provision and limitations of liability specified by the "Carriage of Goods By Sea Act" and any other pertinent laws applicable to water carriers.

DAMAGE/LOSS LIMITATIONS

L O G I S T I C S

IMPORTANT INFORMATION ON LIMITS OF LIABILITY

FREIGHT DAMAGE OR LOSS

TRANSPORTING (CSS LOGISTICS) AND WAREHOUSING (CSS)

TRANSPORTATION: Damage or loss occurs during the movement of your freight from one location to another using a common carrier. All claims are to be processed through the freight carrier.

CSS Logistics is a freight broker. We arrange freight pick up and deliveries between exhibitors and a common carrier – our preferred carriers are YRC and Associated Global Systems (AGS). As a broker, CSS Logistics assumes no liability for loss or damage.

WAREHOUSING: Damage or loss occurs after delivery prior to arrival at your booth.

Our Advance Warehouse locations outside of New Mexico carry warehouseman’s limits of liability which are typically between \$.30 – \$1.00 per pound depending on type of loss. New purchases (with proof of purchase) are the generally the higher amount. Some items such as exhibit booths over 5 years old, there is no recovery. All claims are filed with YRC.

CSS’ liability in Albuquerque, New Mexico is limited to physical loss or damage to a specific article which is lost or damaged, and in any event CSS’ maximum liability will be limited to \$.30 per pound, per article with a maximum liability of \$50.00 per item or \$1,000.00 per shipment, whichever is less. Claim must be made within 30 days of damage/loss. File your claim with CSS.

CSS will not be liable to any extent whatsoever for any actual, potential, or assumed loss of profits or revenues, or for any collateral costs, which may result from any loss or damage to an exhibitor’s materials which may make it impossible or impractical to exhibit said materials.

The consignment or delivery of a shipment to CSS by an exhibitor, or by any shipper on behalf of the exhibitor, will be construed as an acceptance by such exhibitors (and/or shippers) of the terms and conditions set forth in this document.

PLEASE INSURE YOUR TRADESHOW MATERIALS THROUGH YOUR EXISTING INSURANCE COMPANY.

Freight carriers do offer transportation insurance for new purchases. Quoted upon request.

I have read and understand the above terms and limits.
